D/A LIGHT OF TOMORROW BY VELUX

International competition and award for students of architecture – bring your bright ideas to life on a global stage!

Light of Tomorrow by VELUX wants to encourage and challenge students of architecture to explore the theme of daylight – and to create a deeper understanding of this specific and ever-relevant source of energy, light, and life.

Key dates

01 September 2025
Registration & submissions open

30 March 2026
Registration deadline

06 April 2026
Entry submission deadline

27–28 April 2026
Jury meeting

May 2026
Result announcement

26 June–2 July 2026
Winner's workshop & awards ceremony

The competition and award is the largest of its kind, inviting architecture students from all over the world to submit projects that showcase unique uses of daylight in buildings and beyond. Prepare your project team, connect with your teacher, and register from 01 September 2025 to start your journey.

What's in it for you?

- Join a global network of aspiring architects
- Attend a workshop in Barcelona at the UIA World Congress of Architects 2026
- Present your work to an internationally renowned jury
- Receive expert feedback and gain global exposure
- Win up to €7,000 in prizes!

Reach out to us at lightoftomorrow@velux.com for more information about the competition, award, or submission process.
